CUBE CREATORS – RUBIK'S CUBE PROGRAM (GRADES 1–7)

This program introduces students to the exciting world of Rubik's Cube and speed-cubing through fun, hands-on activities. Students learn solving techniques, algorithms, and strategies while developing problem-solving, memory, concentration, patience, and logical thinking skills. Designed for beginners, the program helps students build confidence, master the cube step-by-step, and work toward improving their solving speed. **No session Feb. 15*
