AFTER-SCHOOL PROGRAMS HAMMOND ELEMENTARY WINTER 2019

The Maple Ridge - Pitt Meadows School District, in partnership with United Way of the Lower Mainland, has embarked on an exciting new path for our community, focusing on sustainable, educational and fun after-school programs.

The after-school programs we offer provide expanded learning opportunities both educationally and emotionally to enable our children and youth to be ready, able and motivated to learn.

BRICKS4KIDZ (GR. K-7)

Brick City Engineers, let's build a city! In this fun, interactive class, students will build the structures and vehicles we see throughout our city: police cars, fire trucks, construction machinery, a library, park and houses! There will also be time for free building structures too!

Mondays, 2:30 pm – 3:45 pm

February 4 – March 4 (no class Feb. 18)

Registration Fee: \$32 (4 sessions)

Materials such as graphite, oil and chalk pastels, coloured pencils, watercolour and acrylic paint will be explored and discussed as you begin to use your artist's eyes to express shape and form within your work.

Wednesdays, 2:30 pm – 4:00 pm

January 16 – March 6

Registration Fee: \$85 (8 sessions)

To register: contact Maple Ridge Parks & Leisure at 604-467-7422 or recreg4u.ca

Children will have the chance to learn about the human body, mathematics, and science while getting hands-on training for self-defense. Functional Physics incorporates the basic principles of Jiu-Jitsu, a grappling form of self-defense, in combination with learning fundamental concepts of anatomy, physics, and health.
