SCHOOLS OUT GR. K-7

This after-school program is sponsored by United Way and developed by The Family Education & Support Centre. It is designed to create and cultivate the intergenerational relationships between children Kindergarten to Grade 7 and seniors within the Pitt Meadows community.

We will be making a snack and then walking to Wesbrooke Senior Living or to The Pitt Meadows Activity Centre to participate in activities and crafts with the seniors. The Family Education & Support Centre is really excited to bridge the gap between the generations.
