Policy Statement

The School Board believes that professional development for all staff in support of attaining the District's goals is both valuable and necessary. In support of this belief, the Board is committed to meeting all contractual requirements and supplementing those requirements to the greatest extent possible within existing resources. The Board further believes that professional development must be of benefit to both the employee and the District and that knowledge gained in the pursuit of professional development should be shared with colleagues. Professional development activities should be part of a comprehensive plan for every employee.
