Apprenticeship & Trades Training Partnerships

School District 42 has partnered with three post-secondary institutions (British Columbia Institute of Technology, Kwantlen Polytechnic University, and Vancouver Community College) to offer eight unique programs to Grade 11 & 12 students and adult learners (and non-grads with prerequisites). Students now have the option to graduate plus a get first-year post-secondary certification all in one year and with no or little tuition fees.

Automotive Service Technician

British Columbia Institute of Technology

This 30-week program runs from September to April at Westview Secondary School. Successful participants will acquire the basic knowledge and practical skills for entry into the automotive industry. Graduates may pursue a career as a general repair technician or they may specialize in one particular area.

28 credits - Dual credit for high school and completion of level one apprenticeship.

Requirements:*

Grade 11

A valid driver's license

**BCIT pretest is acceptable for English and Math*

Electrical

British Columbia Institute of Technology

This 24-week program runs from September to February at Garibaldi Secondary School. The program provides graduates with the theory and practical skills necessary to enter the electrical trade. The electrical worker plans, assembles, installs, tests, repairs and maintains electrical equipment and systems in a variety of settings.

24 credits - Dual credit for high school and completion of level one apprenticeship.

Requirements:*

Grade 11 - English 11 (C); Math 11 (C+)

**BCIT pretest is acceptable for English and Math*

Metal Fabrication

British Columbia Institute of Technology

This is a ten-month program running from September to June and is offered at Samuel Robertson Technical Secondary school. The Steel fabrication program deals with the selection, layout, shearing, cutting (with a torch), punching, drilling, forming, fitting and welding of steel plates and structural steel shapes.

28 credits - Dual credit for high school and level one apprenticeship.

Requirements:*

Grade 11

Hairstyling/Cosmetology

Vancouver Community College

This is a ten-month program running from September to June at Samuel Robertson Technical Secondary School. The program is divided into three levels and is 10 months in length. The first two levels of this program are designed to cover all core aspects of the industry on a progressive scale, demanding increased competency at each level.

32 credits - Dual credit for high school and apprenticeship training, VCC certificate and writing of the apprenticeship exam.

Requirements:

Grade 11

Culinary Arts

Vancouver Community College

This is a ten-month program running from September to June at Samuel Robertson Technical. Graduates will find excellent opportunities for employment in all areas of the food service industry, including positions such as assistant cooks or apprentices in restaurants, hotels, and aircraft flight kitchens.

32 credits - Dual credit for high school and VCC's training certificate. Level one of apprenticeship training.

Requirements:

Grade 11

Carpentry

Kwantlen Polytechnic University

This is a ten-month program running from September to June at Samuel Robertson Technical Secondary School. Hands-on shop experience is the basis on which skills are developed in the program. Students who complete the Trades Training Program are eligible for credit for first year apprenticeship technical training.

28 credits - Dual credit for high school and level one of apprenticeship training.

Requirements:

Grade 11
