

### **Presentation: District Literacy Framework**

Assistant superintendent Jovo Bivic presented to the board on the district literacy framework. The framework has five key guiding principles and uses an Early Primary Reading Assessment (ERPA) and Intermediate Reading Assessment (IRA) approach to guide literacy lessons. This inclusive assessment approach is based on the BC Performance Standards. District-level, school-level, and student-specific data are collated for internal analysis and review through the parent portal. In the past year alone, district literacy helping teachers have worked with over 6,100 students in our school district.

### **Presentation: Maple Ridge Teachers' Association Social Justice Committee**

Members of the Maple Ridge Teachers' Association (MRTA) Social Justice Committee presented to the board on the work of the committee, which has been in existence for the past 15 years. Members of the committee establish annual goals, organize events, participate in community social justice events, provide teachers with information and opportunities for participating in social justice work, and much more.
