

BOARD CHAIRPERSON REPORT 2020/21

VISION

Our vision is for every individual to feel valued and for all learners to reach their potential.

MISSION

Our mission is to support all individuals in their development as successful learners, and as respectful, caring and responsible members of society.

Responsibility to all learners

We believe that all individuals in our school district community have the capacity to learn and that we are responsible for supporting their learning.

Uniqueness of each individual

We value the uniqueness of each learner and embrace diverse ways of learning. We foster a variety of instructional methods and provide support to all learners so that they can realize their potential.

Diverse learning opportunities

We value choices for all learners, equity of access to all programs, and a holistic approach to learning. We encourage learning opportunities beyond the classroom. We support life-long learning.

Culture and community

We celebrate our many cultures and seek ways to appreciate and embrace diversity. We encourage interdependence and collaboration within the school district community. We value community partnerships.

Personal and social responsibility

We believe that a sense of belonging is at the heart of our school district community and is fundamental to the success of all learners. We are committed to acting as responsible stewards within our community. We cultivate a culture of care within our school district community, and seek to develop the leadership and citizenship capacity of all learners.

High expectations for success

We value the ability of all learners to set high expectations for themselves and to describe personal success. We believe success is measured through credible evidence of learning and rigorous self-assessment. We are committed to supporting all learners in achieving personal success.

3 KEY STRATEGIES:

- Enhance learning for all by providing quality programming and initiatives that improve engagement and success
- Improve results by working together effectively with partner groups, staff and the public
- Align planning, processes, policies and procedures to improve efficiency and effectiveness to enhance success for all learners

MAPLE RIDGE - PITT MEADOWS SCHOOL DISTRICT
BOARD OF EDUCATION OPERATIONAL PLAN
Student Learning Is Our Central Purpose

Background

The Maple Ridge – Pitt Meadows Board of Education is comprised of seven trustees representing the communities of Maple Ridge and Pitt Meadows. Trustees are elected every four years at the same time as the mayor and city council for the two municipalities. The Board is committed to working together to ensure that every individual feels valued and all learners reach their potential in the Maple Ridge - Pitt Meadows School District. We will accomplish this by building open, trusting relationships as Board and senior management; defining roles and responsibilities; solidifying trustee knowledge base through board management information sharing; using data/evidence to make decisions; and establishing strategic directions.

Operational Strategies

Our vision is to create a safe, inclusive, and respectful learning environment for all learners, working on behalf of all in the School District.

- Enhance learning for all by providing quality programming and initiatives that improve engagement and success
- Improve results by working together effectively with partner groups, staff and the public
- Align planning, processes, policies and procedures to improve efficiency and effectiveness to enhance success for all learners

- Collaborate with other boards through BCSTA and advance the wellness of all learners, adequate funding for education, for the creation, implementation, and evaluation of a meaningful co-governance model with the provincial government
- Assess Board performance on an annual basis and support trustee professional development by providing ongoing educational opportunities for trustees and encouraging trustees to take advantage of these learning opportunities
- Review, create and update Board policies
- Continue to improve the Board's communication plan to ensure increased awareness of Board work
- Support student and community engagement in school district governance
- Continue to celebrate success, and recognize accomplishments and service of staff and volunteers
- Monitor performance against the strategic plan, facilitate annual review of operational plans, and ensure that budget decisions reflect school district strategic priorities
