UNITED WAY SCHOOLS OUT MULTICULTURAL PROGRAM (GR. K-7)

Do you want to learn more about unique and exciting cultures from around the world? Join the Family Education and Support Centre for a weekly after-school program for students in kindergarten to Grade 7 designed to develop greater knowledge of different countries through crafts, activities, and food. Each week will feature a new theme and provide for structured group activities that promote active participation and exploring. Participants will taste traditional foods and engage in an experiential activity that provides an opportunity to explore and discover. We will learn about a different country or culture each week and kids will get a snack, activity, and short video.
