2025-09-17 Email from Parent re: Garibaldi Bus Service to Board Chair

September 17, 2025 Elaine Yamamoto Board Chair, SD42 2225 Brown Ave Maple Ridge, BC, V2X 8N6

Dear Chairperson Yamamoto & Board Members:

I am writing to express our concerns regarding the decision to cancel bus transportation for Garibaldi Secondary School students living on Fern Crescent and adjacent area.

Our daughter and numerous other students must now walk along busy traffic routes to catch a TransLink bus to the Haney exchange and then catch a different bus that travels along Dewdney Trunk Road to their school.

With two working parents and differing work hours, we chose Garibaldi because of the school bus system. It allowed our daughter to depart and return home at reasonable times in a safe environment.

We find the Haney Exchange surrounds less than desirable at times, populated by persons deemed homeless or in need of care, exposure to which can affect young people negatively each day. Furthermore, several times the first bus available is full requiring waiting for the next bus which arrives late for school.

We ask that you reconsider this decision before darkness arrives early at night and stays longer in the morning. We have noticed a distinct unease has crept into our daughter each time we are unable to transport her to school, and it is affecting her schooling and well being.

Kindest regards,

Mr./Mrs. Simon Cracknell

2025-09-19 Email from Board Chair to Parent re: Garibaldi Bus Service

Hello,

Thank you for sharing your concerns about transportation to Garibaldi Secondary. We understand how difficult this change has been for families, and we want to acknowledge the impact you describe on your daughter's routine, and on her sense of safety and wellbeing.

The decision to discontinue bus service to secondary students in Silver Valley and Rockridge was difficult and not made lightly. The 2025/26 budget process included many painful reductions across the system and, at the current provincial funding levels, additional budget shortfalls are projected for the next three school years. In making the decision, the Board considered the improved local infrastructure and availability of public transit in the area, the significant and ongoing budget pressures, and the lack of dedicated provincial funding for regular student transportation.

We know that public transit presents challenges the district cannot control. We are also aware of capacity issues you have highlighted and staff are in communication with Coast Mountain Bus Company. Coast Mountain is aware of the challenges and advised today that they are adding some additional service starting on Monday, September 22. Our Transportation Department issued a communication on this with further details this afternoon.

We recognize the transition has been very challenging, and we appreciate you taking the time to share your daughter's experience. Please know that your feedback is being heard. While not every concern can be addressed through public transit, we continue to share these experiences with Coast Mountain so they can address issues within their control. You may also contact Coast Mountain directly and find their contact information at Contact Information | TransLink.

Sincerely,

Board of Education

Subject: National School Food Program and Funding Allocation Inequities for Supporting Priority Student Populations

Dear Minister Beare,

On behalf of The Board of Education of School District No. 42 (Maple Ridge-Pitt Meadows), I am writing to express our deep concern regarding ongoing inequities in the allocation of provincial funding targeted for priority student populations, including the recent change in the allocation method for the National School Food Program (NSFP) special purpose grant for 2025/26. This letter is sent in accordance with the Board's motion directing the Chair to communicate our concerns to your office.

Despite repeated advocacy and clear evidence of persistent funding inequities—most recently detailed in <u>our letter to you dated May 29, 2025</u>—the allocation model for the CommunityLINK (CLINK) special purpose grant, the Equity of Opportunity Supplement (EOS) to the operating grant, and now the NSFP, continues to disadvantage our district and the priority students we serve that these funds are intended to support.

Key Issues:

- The 2025/26 allocation methodology for the new NSFP now relies on the EOS, which our Board has previously identified as an inequitable model. Notably, EOS allocations are based on the location of MCFD offices rather than the students' actual school district of enrolment This raises serious concerns about the accuracy and fairness of the EOS model—particularly for districts like SD42, where students may access services outside their home district. Furthermore, NSFP allocation methodology does not address the historic inequities present in CLINK and EOS funding, which target similar student populations.
- Our Board strongly believes that the Socioeconomic Status (SES) index is a more equitable model for allocating school food program funds. SD42 has more schools with an SES below the provincial average than the average district, yet our NSFP allocation for 2025/26 is just 2.21% of the provincial total—lower than both our share of provincial enrolment (2.78%) and what the allocation would be under the SES model (2.93% based on 2024/25 data).
- The shift away from SES-based allocation to the operating grant formula with weighting for rural factors and EOS has further reduced our share of the provincial total, even as overall program funding increased.
- The additional NSFP funding could have been used to address the inequities that exist with CLINK and EOS, but the current model fails to do so.
- Combined, SD42's funding for CLINK, EOS and NSFP for 2025/26 is \$87 per student—the lowest of all 60 school districts in the province, and far below the provincial average of \$170 per student as shown in the **Attachment**.

 These disparities have a direct and negative impact on our ability to support vulnerable families, maintain essential programs, and fulfill our mandate of providing equitable opportunities for all learners.

Our Board has consistently advocated for a funding model that is reliable, transparent, and responsive to actual student needs. The attached data and correspondence demonstrate that, despite Ministry acknowledgement of these issues, meaningful change has not yet been realized.

We respectfully request:

- A review and revision of the National School Food Program allocation methodology to ensure districts like SD42 receive funding that reflects both enrolment and the needs of our students, using a more equitable SES-based model.
- Immediate action to address historical and ongoing inequities in CommunityLINK and Equity of Opportunity funding.
- Transparent communication regarding the rationale for funding decisions, with acknowledgement and due consideration for known funding allocation inequities that exist with other grants, and a timeline for implementing a more equitable model.

We appreciate your attention to this urgent matter and look forward to your response. Our Board remains committed to working collaboratively with the Ministry to ensure all students in British Columbia have access to the supports they need to thrive.

Sincerely,

Elaine Yamamoto, Chairperson

October 22, 2025 Decision Memo Item 4

From: Richard Rennie, Secretary Treasurer

Topic: Statement of Financial Information for 2024/25

BACKGROUND

The Statement of Financial Information (SOFI) report for The Board of Education of School District No. 42 (Maple Ridge - Pitt Meadows) for the year ended June 30, 2025 (**Attachment**) has been prepared for Board approval and must be submitted to the Ministry of Education and Child Care by December 31, 2025.

In accordance with the *Financial Information Act* (the "Act"), each school board is required to prepare a report of financial information for each fiscal year. The Act, together with the related regulation and directive, prescribes the information to be included in the report.

The key schedules included in the report are:

- <u>Schedule of Remuneration and Expenses</u>: Lists total remuneration and total expenses paid to each trustee, and to each employee with remuneration exceeding \$75,000.
- <u>Schedule of Suppliers of Goods and Services</u>: Lists total payments to each supplier exceeding \$25,000.

Section 6 of the Financial Information Regulation defines remuneration to include any form of salary, wages, taxable benefits, payment into trust, or income deferral paid by the Board to an employee, but excludes payments under a severance agreement. Remuneration for individual employees may include payouts for vacation, retirement allowances, and compensatory time not taken, in addition to regular salary, taxable benefits for vehicle allowances, and flex benefit credits. Remuneration does not include payments made to third parties on behalf of an employee.

Expenses are defined to include travel, memberships, tuition, relocation, vehicle leases, registration fees, and similar amounts paid directly to an employee or to a third party on behalf of an employee, which have not been included in 'remuneration'. The amounts reported do not reflect payments subsequently reimbursed by an employee.

Payments for goods and services include all payments made from operating, special purpose and capital funds for the supply of goods and services. Payments, or deductions in funding made by other entities on behalf of the School District (e.g., Digital Services Recovery, the Schools Protection Program premiums, and Coordinated Legal and Arbitration Support Services (CLASS)) are not included.

A significant portion of the supplier payments represents contributions to pension and employee benefit plans (including the employees' share of contributions), and contractors for capital projects.

RECOMMENDATION

THAT the Board approve the Statement of Financial Information for the fiscal year ended June 30, 2025.

MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all other schedules of financial information and for ensuring this information is consistent, where appropriate, with the information contained in the financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Education is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and for approving the financial information included in the Statement of Financial Information.

The external auditors, KPMG LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements as required by the *School Act*. Their examination does not relate to the other schedules of financial information required by the *Financial Information Act*. Their examination includes a review and evaluation of the board's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

MANAGEMENT REPORT

Version: 9374-8628-6646

Management's Responsibility for the Financial Statements.

The accompanying financial statements of School District No. 42 (Maple Ridge-Pitt Meadows) have been prepared by management in accordance with the accounting requirements of Section 23.1 of the Budget Transparency and Accountability Act of British Columbia, supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

The preparation of financial statements necessarily involves the use of estimates based on management's judgment particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and reliable financial information is produced.

The Board of Education of School District No. 42 (Maple Ridge-Pitt Meadows) (called the "Board") is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal financial statements on a quarterly basis and externally audited financial statements yearly.

The external auditors, KPMG LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of School District No. 42 (Maple Ridge-Pitt Meadows) and meet when required. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the School District's financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Board of Education of School District No. 42 (Maple Ridge-Pitt Meadows), and

To the Minister of Education and Child Care, Province of British Columbia

Opinion

We have audited the financial statements of School District No. 42 (Maple Ridge-Pitt Meadows), (the "Entity"), which comprise:

- the statement of financial position as at June 30, 2025
- the statement of operations for the year then ended
- the statement of remeasurement gains and losses for the year then ended
- the statement of changes in net debt for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements as at and for the year ended June 30, 2025 of the Entity are prepared, in all material respects, in accordance with the financial reporting provisions of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Financial Reporting Framework

We draw attention to note 2(a) to the financial statements which describes the applicable financial reporting framework and the significant differences between the financial reporting framework and Canadian public sector accounting standards.

Our opinion is not modified in respect of this matter.

Other Information

Management is responsible for the other information. Other information comprises:

- Information, other than the financial statements and auditor's report thereon, included in the Financial Statement Discussion and Analysis document
- Unaudited Schedules 1-4 attached to the audited financial statements

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We obtained the information, other than the financial statements and auditor's report thereon, included in the Financial Statement Discussion and Analysis document and the Unaudited Schedules 1-4 attached to the audited financial statements as at the date of this auditor's report. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditor's report.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of Section 23.1 of the Budget and Transparency and Accountability Act of the Province of British Columbia and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SCHOOL DISTRICT NO. 42 (MAPLE RIDGE – PITT MEADOWS) NOTES TO FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2025

NOTE 1 AUTHORITY AND PURPOSE

The School District, established on April 12, 1946, operates under authority of the School Act of British Columbia as a corporation under the name of "The Board of Education of School District No. 42 (Maple Ridge – Pitt Meadows)", and operates as "School District No. 42 (Maple Ridge – Pitt Meadows)." A board of education ("Board") elected for a four-year term governs the School District. The School District provides educational programs to students enrolled in schools in the School District and is principally funded by the Province of British Columbia through the Ministry of Education and Child Care (MECC). The School District is exempt from federal and provincial corporate income taxes.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the School District are prepared by management in accordance with the basis of accounting described below. Significant accounting policies of the School District are as follows:

a) Basis of Accounting

These financial statements have been prepared in accordance with Section 23.1 of the *Budget Transparency and Accountability Act of the Province of British Columbia*. This Section requires that the financial statements be prepared in accordance with Canadian public sector accounting standards except in regard to the accounting for government transfers as set out in Notes 2(g) and 2(n).

In November 2011, Treasury Board provided a directive through Restricted Contributions Regulation 198/2011 providing direction for the reporting of restricted contributions whether they are received or receivable by the School District before or after this regulation was in effect.

As noted in notes 2(g) and 2(n), Section 23.1 of the *Budget Transparency and Accountability Act* and its related regulations require the School District to recognize government transfers for the acquisition of capital assets into revenue on the same basis as the related amortization expense. As these transfers do not contain stipulations that create a liability, Canadian public sector accounting standards would require these grants to be fully recognized into revenue.

b) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School District recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, portfolio investments, accounts payable, and accrued liabilities. Except for portfolio investments in equity instruments quoted in an active market, or items designated by management that are recorded at fair value, all financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of these investments upon initial recognition.

Transaction costs are incremental costs directly attributable to the acquisition or issue of a financial asset or a financial liability. Unrealized gains and losses from changes in the fair value of financial instruments are recognized in the Statement of Remeasurement Gains and Losses. Upon settlement, the cumulative gain or loss is reclassified from the Statement of Remeasurement Gains and Losses and recognized in the Statement of Operations. Interest and dividends attributable to financial instruments are reported in the Statement of Operations.

SCHOOL DISTRICT NO. 42 (MAPLE RIDGE – PITT MEADOWS) NOTES TO FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2025

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

b) Financial Instruments (continued)

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense. Unless otherwise noted, it is management's opinion that the School District is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair values of these financial instruments approximate their carrying value, unless otherwise noted.

All financial assets measured at amortized cost are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the Statement of Operations. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value.

c) Cash and Cash Equivalents

Cash and cash equivalents include cash in the bank and funds held with the Province in the Central Deposit Program that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. Cash equivalents are generally highly liquid, with a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

d) Accounts Receivable

Accounts receivable are measured at amortized cost and shown net of any allowance for doubtful accounts.

e) Portfolio Investments

The School District has investments in equity instruments with no maturity and bonds and term deposits with a maturity of greater than 3 months at the time of acquisition. Bonds and term deposits not quoted in an active market are reported at cost or amortized cost. Portfolio investments in equity instruments that are quoted in an active market are recorded at fair value and the associated transaction costs are expensed upon initial recognition.

The change in the fair value is recognized in the Statement of Remeasurement Gains and Losses as a remeasurement gain or loss until the portfolio investments are realized on disposal. Upon disposal, any accumulated remeasurement gains or losses associated with the portfolio investments are reclassified to the Statement of Operations.

f) Unearned Revenue

Unearned revenue includes tuition fees received for courses to be delivered in future periods, and other fees for services to be delivered in a future period. Revenue will be recognized in that future period when the services are provided.

g) Deferred Revenue and Deferred Capital Revenue

Deferred revenue includes contributions received with stipulations that meet the description of restricted contributions in the Restricted Contributions Regulation 198/2011 issued by Treasury Board. When restrictions are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability as detailed in Note 2(n).

Funding received for the acquisition of depreciable tangible capital assets is recorded as deferred capital revenue and amortized over the life of the asset acquired as revenue in the Statement of Operations. This accounting treatment is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met, unless the transfer contains a stipulation that creates a liability, in which case the transfer is recognized as revenue over the period that the liability is extinguished.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

h) Employee Future Benefits (continued)

Post-employment benefits

The School District provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to contracts and union agreements.

The School District accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, and death benefits. The benefits cost is actuarially determined using the projected unit credit method pro-rated on service and using management's best estimate of expected salary escalation, termination rates, retirement rates and mortality. The discount rate used to measure obligations is based on the estimated cost of borrowing.

The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime (EARSL) of active employees covered under the plan. The most recent valuation of the obligation was performed as at March 31, 2025 and projected to March 31, 2028. The next valuation will be performed as at March 31, 2028 for use starting June 30, 2028. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of March 31 was adopted for all periods subsequent to July 1, 2004.

Pension Plans

The School District and its employees make contributions to the Teachers' Pension Plan and Municipal Pension Plan. The plans are multi-employer plans where assets and obligations are not separated. The costs are expensed as incurred.

i) Asset Retirement Obligations

A liability for asset retirement obligation (ARO) is recognized when, as at the financial reporting date:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

The liability for the removal of asbestos and other hazardous material in several of the buildings owned by the School District has been recognized. The liability has been measured at current cost as the timing and amounts of future cash flows cannot be estimated. The resulting costs have been capitalized into the carrying amount of tangible capital assets and are being amortized on the same basis as the related tangible capital asset (Note 2 (k)). Assumptions used in the calculations are reviewed annually.

j) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when a site is not in productive use and all the following criteria are met:

- an environmental standard exists;
- contamination exceeds the environmental standard;
- the School District is directly responsible or accepts responsibility for the contamination;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

k) Tangible Capital Assets

Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Donated tangible capital assets are recorded at their fair market value on the date of donation, except in circumstances where fair value cannot be reasonably determined, which are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at carrying value.

Work in progress (WIP) is recorded as an acquisition to the applicable asset class at substantial completion. Tangible capital assets are written down to residual value when conditions indicate they no longer contribute to the ability of the School District to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. The write-downs are accounted for as expenses in the Statement of Operations.

Buildings that are demolished or destroyed are written-off. Works of art, historic assets and other intangible assets are not recorded as assets in these financial statements.

The cost, less residual value, of tangible capital assets (excluding sites), is amortized on a straight-line basis over the estimated useful life of the asset. It is management's responsibility to determine the appropriate useful lives for tangible capital assets. These useful lives are reviewed on a regular basis or if significant events initiate the need to revise. Estimated useful lives are as follows:

Buildings	40 years
Furniture and Equipment	10 years
Vehicles	10 years
Computer Software	5 years
Computer Hardware	5 years

I) Prepaid Expenses

Memberships and dues, software licenses, dental premium holidays, property taxes, utilities, maintenance agreements and other payments paid in advance are included as prepaid expense. Prepaid expenses are stated at acquisition cost and are expensed over the periods expected to benefit from it.

m) Internally Restricted Reserves

The Board of Education is responsible for ensuring the School District is protected financially from extraordinary circumstances that would negatively impact school district operations and the education of students. To discharge this responsibility, the Board has established a contingency reserve from available operating surplus, which will be used to mitigate any negative impact such circumstances might cause.

By Board policy, a contingency reserve of at least 1% and not exceeding 3% of budgeted operating expenditures shall be maintained (\$2,150,525 to \$6,451,575). The current balance of \$2,688,157 contingency reserve held in local capital equates to 1.25% of 2025/26 annual budget operating expenditures.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

n) Revenue Recognition

All revenues are recorded on an accrual basis in the period in which the transactions or events occurred that gave rise to the revenues and when the amounts are considered to be collectible and can be reasonably estimated. Contributions received where eligibility criteria have been met are recognized as revenue except where the contribution meets the criteria for deferral as described below. Eligibility criteria are the criteria that the School District has to meet in order to receive the contributions including authorization by the transferring government.

For contributions subject to a legislative or contractual stipulation or restriction as to their use, revenue is recognized as follows:

- Non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year related expenses are incurred;
- Contributions restricted for site acquisitions are recorded as revenue when the sites are purchased; and
- Contributions restricted for tangible capital asset acquisitions other than sites are recorded as deferred capital revenue and amortized as revenue over the useful life of the related assets.

Donated tangible capital assets other than sites are recorded at fair market value and amortized over the useful life of the assets. Donated sites are recorded as revenue at fair market value when received or receivable.

The accounting treatment for restricted contributions is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that meets the criteria for liability recognition in which case the transfer is recognized as revenue over the period that the liability is extinguished. Revenue from transactions with performance obligations is recognised when (or as) the performance obligation is satisfied (by providing the promised goods or service to a payor).

Revenue from transactions with no performance obligations is recognized when the District:

- (a) has the authority to claim or retain an inflow of economic resources; and
- (b) identifies a past transaction or event that gives rise to an asset.

Investment income is reported in the period earned. When required by the funding party or related legislation, investment income earned on deferred revenue is included in the deferred revenue balance until spent.

o) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Categories of Salaries

- Principals, Vice Principals, and Directors of Instruction employed under an administrative officer contract are categorized as Principals and Vice Principals.
- Superintendents, Secretary Treasurers, Trustees and other employees excluded from union contracts are categorized as Other Professionals.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

o) Expenses (continued)

Allocation of Costs

- Operating expenses are reported by function, program, and object. Whenever possible, expenses are
 determined by actual identification. Additional costs pertaining to specific instructional programs, such
 as special and aboriginal education, are allocated to these programs. All other costs are allocated to
 related programs.
- Actual salaries of personnel assigned to two or more functions or programs are allocated based on the
 time spent in each function and program. School-based clerical salaries are allocated to school
 administration and partially to other programs to which they may be assigned. Principals and Vice
 Principals salaries are allocated to school administration and may be partially allocated to other programs
 to recognize their other responsibilities.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

p) Measurement Uncertainty

Preparation of financial statements in accordance with the basis of accounting described in Note 2 requires management to make estimates and assumptions that impact reported amounts of assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Significant areas requiring the use of management estimates relate to rates for amortization, estimated employee future benefits, and asset retirement obligations. Actual results could differ from those estimates.

NOTE 10 ASSET RETIREMENT OBLIGATION

Legal liabilities exist for the removal and disposal of asbestos and other environmentally hazardous materials (e.g. lead paint) within some district owned buildings that will undergo major renovations or demolition in the future. A reasonable estimate of the fair value of the obligation has been recognized. The obligation has been measured at current cost as the timing of future cash flows cannot be reasonably determined. These costs have been capitalized as part of the assets' carrying value and are amortized over the assets' estimated useful lives.

NOTE 11 DEBT

The School District has an approved line of credit of \$2.5 million with interest at the banks' prime rate plus 0.25%, a \$5 million daylight facility which is to provide security for electronic fund transfers with a 2-day lead time, and a \$8 million stand-alone fully cash-secured Letter of Credit facility. As of June 30, 2025, the School District had \$nil borrowings (2024: \$nil) under the line of credit and the daylight facility, and \$1.22 million issued for Eric Langton Elementary seismic replacement and expansion project (2024: \$0.86 million) under the stand-alone Letter of Credit facility.

NOTE 13 EMPLOYEE PENSION PLANS

The School District and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan (jointly trusteed pension plans). The boards of trustees for these plans, representing plan members and employers, are responsible for administering the pension plans, including investing assets and administering benefits. The plans are multi-employer defined benefit pension plans. Basic pension benefits are based on a formula. As at December 31, 2024, the Teachers' Pension Plan has approximately 52,000 active members and 43,000 retired members in the plan. As at December 31, 2024, the Municipal Pension Plan has over 470,000 members in the plan.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plans. The actuary's calculated contribution rate is based on the entry- age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plans. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation report for the Teachers' Pension Plan completed as at December 31, 2023 showed that the plan had a \$4,572 million surplus and was 112.8% funded. The next valuation will be at December 31, 2026, with results available in late 2027.

The valuation in 2021 for the Municipal Pension Plan showed the plan was fully funded with a ratio of 105.3%, a \$3,761 million funding surplus for basic pension benefits. The most recent valuation for the Municipal Pension Plan was completed at December 31, 2024, with results available in late 2025.

The School District paid \$17,794,741 for employer contributions to the plans for the year ended June 30, 2025 (2024: \$16,168,429).

Employers participating in the plans record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plans record accrued liabilities and accrued assets for each plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plans.

NOTE 14 RELATED PARTY TRANSACTIONS

The School District is related through common ownership to all Province of British Columbia ministries, agencies, school districts, health authorities, colleges, universities, and crown corporations. Transactions with these entities, unless disclosed separately, are considered to be in the normal course of operations and are recorded at the exchange amount.

NOTE 15 BUDGET FIGURES

Budget figures included in the financial statements were approved by the Board through the adoption of the amended annual budget on March 5, 2025. As the 2024/25 Amended Annual Budget is used for comparative purposes, a reconciliation between the 2024/25 Annual Budget and the 2024/25 Amended Annual Budget is provided.

NOTE 16 ACCUMULATED SURPLUS

The operating fund accounts for the School District's operating grants and other operating revenues. Legislation requires that the School District present a balanced budget for the operating fund, whereby budgeted expenditures do not exceed the total of budgeted revenue plus any surplus in the operating fund carried forward from the previous year.

NOTE 18 ECONOMIC DEPENDENCE

The operations of the School District are dependent on continued funding from the Ministry of Education and Child Care and various governmental agencies to carry out its programs. These financial statements have been prepared on a going concern basis.

NOTE 19 RISK MANAGEMENT

The School District has exposure to the following risks from its use of financial instruments: credit risk, market risk and liquidity risk. The Board ensures that the School District has identified its risks and ensures that management monitors and controls them. There have been no changes to risk exposure from 2024 related to credit, market, or liquidity risks.

a) Credit risk:

Credit risk is the risk of financial loss if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Such risks arise principally from certain financial assets held consisting of cash, amounts receivable and investments.

The School District is exposed to credit risk in the event of non-performance by a borrower. This risk is mitigated as most amounts receivable are due from the Province, federal, or local government and are considered low risk.

It is management's opinion that the School District is not exposed to significant credit risk associated with its cash deposits and investments as they are placed in the Central Deposit Program with the Province and in recognized British Columbia institutions. The School District invests in various financial instruments including equity funds, bond funds certificates and term deposits to reduce the concentration of credit risk.

b) Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk and interest rate risk.

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the foreign exchange rates. It is management's opinion that the School District is not exposed to significant currency risk, as amounts held and purchases made in foreign currency are insignificant.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. The School District is exposed to interest rate risk through its investments. It is management's opinion that the School District is not exposed to significant interest rate risk as they invest solely in the Province's Central Deposit Program, guaranteed investment certificates, equity funds and term deposits that have a maturity date of no more than 1 year.

The School District is monitoring the potential impacts and options to mitigate risks arising from tariffs and cross border trade.

c) Liquidity risk:

Liquidity risk is the risk that the School District will not be able to meet its financial obligations as they become due. The School District manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing activities to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the School District's reputation.

Risk management and insurance services for all School Districts in British Columbia are provided by the Risk Management Branch of the Ministry of Finance.

NOTE 22 CONTRACTUAL RIGHTS

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. The School District's contractual rights arise because of contracts entered into for lease agreements and future funding for capital projects. The following table summarizes the contractual rights of the School District for future assets:

	2025/26	2026/27	2027/28	Thereafter

NOTE 23 CONTINGENT LIABILITIES

In the normal course of business, lawsuits and claims have been brought against the School District. The School District defends against these lawsuits and claims. Management has made provisions for any unexpected liabilities and believes that the ultimate results of any pending legal proceeding will not have a material effect on the financial position of the School District.

School District Statement Of Financial Information (SOFI)

School District No. 42 (Maple Ridge – Pitt Meadows)

Fiscal Year Ended June 30, 2025

EXPLANATORY NOTES

As the SOFI is reported on a cash basis and the audited financial statements of the Board of Education of School District No. 42 (Maple Ridge - Pitt Meadows) are prepared on an accrual basis, differences may exist between these separate sets of statements.

For the Schedule of Remuneration and Expenses:

- Remuneration includes any form of salary, wages, taxable benefits, payment into trust or any form of
 income deferral paid by the Board to an employee but excludes payments under a severance
 agreement.
- Remuneration for individual employees may include payouts for vacation, retirement allowances, and compensatory time not taken in addition to regular salary, taxable benefits for vehicle allowances, and flex benefit credits. Remuneration does not include payments made to third parties on behalf of an employee.
- Salary and benefit amounts recovered from third parties are not deducted from remuneration for SOFI purposes but are deducted from gross salary and benefits in the financial statements.
- Expenses include travel, memberships, tuition, relocation, vehicle leases, registration fees and similar amounts paid directly to an employee, or to a third party on behalf of an employee, and which have not been included in 'remuneration'. The amounts reported do not reflect payments subsequently reimbursed by an employee.
- Expenses paid in respect of employees include 100% of sales taxes paid, whereas the expenses in the financial statements are shown net of the Goods and Services Tax (GST) rebate.

For the Schedule of Payments for the Provision of Goods & Services:

- Payments for goods and services include all payments made from operating, special purpose, and capital funds for the supply of goods and services.
- Amounts paid to the Ministry of Education and Child Care (MECC) as a deduction from grants issued by MECC are included in Services and Supplies expenses in the financial statements but are not included in this schedule. These are for shared services which include Digital Services Recovery, Schools Protection Program, Coordinated Legal and Arbitration Support Services (CLASS), and the Capital Asset Management System.
- A significant portion of the supplier payments represents contributions to pension and employee benefit plans (including the employees' share of contributions) and contractors for capital projects.
- The list of payments to suppliers include 100% of the sales taxes paid, whereas the expenses in the financial statements are shown net of the GST rebate.
- Payments to suppliers may be reported in the financial statements as Prepaid Expenses, Tangible Capital Assets, or Services and Supplies, as appropriate.
- The Schedules of Payments for Goods and Services may include expenses which are wholly or partially recovered or reimbursed from other organizations, thereby reducing the amount reported in the operating expenses within the financial statements.

October 22, 2025 Decision Memo Item 5

From: Board Policy Development Committee

Richard Rennie, Secretary Treasurer

Topic: Board Procedure for Approval

BACKGROUND

On June 18, 2025, the Board approved updates to the following Board policies:

- 2915 Board Chairperson Election, Role, and Responsibilities
- 2918 Vice Chairperson Election, Role, and Responsibilities

On October 8, 2025, the Board Policy Development Committee (BPDC) met to review and consider updates to Procedure 2915.1: Trustee Elections – Chairperson and Vice Chairperson, ensuring alignment with the recently approved policies.

The updated procedure is now being presented for Board approval prior to the upcoming Chairperson and Vice Chairperson election, scheduled for the November 12, 2025 public board meeting.

Attachment A: Updated Procedure 2915.1

• Attachment B: Existing Procedure 2915.1

RECOMMENDATION

THAT the Board approve the updated procedure:

• 2915.1 Trustee Elections - Chairperson and Vice Chairperson

SD42 PROCEDURE: 2915.1

TRUSTEE ELECTIONS FOR CHAIRPERSON AND VICE-CHAIRPERSON

1. ELECTION PROCESS APPROVAL

- a) Prior to the election held at the November public board meeting, the Board approves the election process for Chairperson and Vice-Chairperson by Board Resolution.
- b) The proceed with the election, Chairperson calls for the following motion:
 - THAT the Board proceed to elect a new Chairperson and Vice-Chairperson following the approved nomination and election procedure.
- c) The Secretary Treasurer facilitates the meeting during the nomination and election process for both the Chairperson and Vice Chairperson. This includes announcing results and declaring the elected Trustee for each role.

2. NOMINATION PROCEDURE

- a) The Secretary Treasurer calls three times for nominations for Chairperson for a oneyear term. No seconder is required.
- b) Each nominee must confirm whether they accept and may speak to their nomination.
- c) If only one nominee accepts, the Secretary Treasurer declares that person elected for a one year term ending the following November.

After election of the Chairperson, the nomination process is applied for Vice Chairperson.

3. ELECTION PROCEDURE

Applies when there are multiple nominees for Chairperson and/or Vice Chairperson.

- a) The Secretary Treasurer calls for a motion to appoint two scrutineers (who are not trustees).
- b) The Secretary Treasurer calls on the scrutineers to distribute the ballots. Trustees vote by secret ballot. Scrutineers collect and count ballets and report results to the Secretary Treasurer.

Note: In the case of an Electronic Board Meeting where one or more Trustees are attending through electronic means, the following alternate steps are followed:

- The Secretary Treasurer calls on the scrutineers to setup and launch an anonymous and secure online poll.
- Trustees vote via the online poll.
- Scrutineers count votes and report results to the Secretary Treasurer.
- c) The Secretary Treasurer announces the results of the vote.
- d) To be elected, a nominee must receive a majority (>50%) of votes cast.

- If no nominee receives a majority, the nominee with the fewest votes is eliminated from the next round of voting.
- If two or more nominees are tied for the fewest votes, those tied nominees are both eliminated unless only one nominee without a majority remains.
- Voting continues in successive rounds until a single nominee receives a majority.
- e) The Secretary Treasurer declares the Trustee with the majority vote as elected to the role.
- f) The same process applies for Vice-Chairperson.
- g) If voting occurs, the Secretary Treasurer calls a motion to destroy the ballots (or delete the online voting results, for electronic voting) after the election.

4. TRANSITION OF CHAIRPERSON

Immediately following the nomination and election process for Chairperson and Vice Chairperson, the newly elected Chairperson assumes facilitation of the meeting for the remaining agenda items.

UPDATED: October 2025

SD 42 PROCEDURE: 2915.1

TRUSTEE ELECTIONS - CHAIRPERSON and VICE-CHAIRPERSON

1. NOMINATION

(a) Process Approval

Prior to the commencement of the election, the process for the election of the Board Chairperson and Vice-Chairperson will be approved at the public Board meeting by Board Resolution.

The Chairperson will call for the following motion:

THAT the Board proceed to elect a new Chairperson and Vice-Chairperson following the nomination and election procedure.

The Chairperson passes the gavel to the Secretary Treasurer who will chair the meeting during the election process.

(b) Nomination Procedure

- i. The Chairperson will call a first time for nominations, for Chairperson for a one-year term. A seconder will not be required for nominations.
- ii. Each nominee will be asked whether he/she agrees to stand for election and can speak to the nomination.
- iii. The Chairperson will call a second and third time for nominations for Chairperson for a one-year term.
- iv. If after three (3) calls, there is only one nominee for the office, and that nominee accepts, the Chairperson declares that person the duly elected Chairperson of the Board of Education of School District No. 42 (Maple Ridge Pitt Meadows), for a one (1) year period ended the next November.

- (c) Trustees will vote by online anonymous poll.
- (d) Scrutineers will report the results of each vote only to the Chairperson of the meeting, who shall announce the Trustee who has received the majority of the votes cast.
- (e) The Trustee receiving the majority of votes cast shall be declared elected. In accordance with *Robert's Rules of Order*, if on the first or subsequent ballots a nominee does not receive a majority, voting for the office with all nominees

remaining on the ballots shall continue until a majority vote is obtained for a single candidate. Should no candidate receive such clear majority, the candidate receiving the lowest number of votes on the first ballot shall be dropped from the list and a second ballot and, if necessary, subsequent ballots shall be held in like manner until one (1) candidate receives a clear majority of the votes and such candidate shall thereupon be declared to be elected.

- (f) The Chairperson will then call for nominations for Vice-Chairperson of the Board of Education for a one (1) year term and repeat the nomination process outlined above.
- (g) If ballots were required, the Chairperson will call for the following motion:
 - THAT the scrutineers delete the online poll results for the election of either Chairperson or Vice-Chairperson, or both and that the scrutineers are discharged with gratitude.
- (h) The Chairperson will then pass the gavel to the newly elected Chairperson who will conduct the balance of the meeting.

REVIEWED: JANUARY 2021

October 22, 2025 Decision Memo Item 6

From: Teresa Downs, Superintendent of Schools

Cheryl Schwarz, Deputy Superintendent

Kathleen Anderson, District Principal Indigenous Education

Topic: Indigenous Education Council – Terms of Reference

BACKGROUND

On November 8, 2023, <u>Bill 40</u>, also known as the School Amendment Act, 2023, was approved and received Royal Assent. The legislative changes were aimed at improving First Nation students' attendance and education outcomes through effective relationships and processes between First Nations and school districts. The Act introduced three new sections within the School Act: First Nation Schools of Choice (section 74.2), Model Local Education Agreement (section 86.1-86.6) and Indigenous Education Council (section 87.001 – 87.005).

Division 2.01 - Indigenous Education Councils

Purposes of Indigenous education councils

- **87.001** (1) Each board must establish and maintain an Indigenous education council, for the following purposes:
- (a) advising the board respecting any matter relating to the following:
- (i) providing comprehensive and equitable educational programs and services to Indigenous students;
- (ii) improving Indigenous student achievement;
- (iii) integrating into learning environments Indigenous world views and perspectives, in particular those of the first nations, the treaty first nations or the Nisga'a Nation in whose traditional territory the board operates;
- (b) advising on grants provided under this Act in relation to Indigenous students;
- (c) approving plans, spending and reporting related to grants as set out in section 87.002;
- (d) advising the board in relation to the distinct languages, cultures, customs, traditions, practices or history of the first nations, the treaty first nations or the Nisga'a Nation in whose traditional territory the board operates, through advice from the Indigenous education council members representing those first nations, treaty first nations or the Nisga'a Nation.
- (2) For certainty, an Indigenous education council is not a committee of a board under section 65 (2) (a) of this Act.

Approval of targeted grants - plans, spending and reporting

- **87.002** If the minister provides a direction for a targeted grant under section 106.4 and the targeted grant is related to Indigenous students, the Indigenous education council must,
- (a) before the grant is spent by the board, approve the board's plan for the grant and the board's spending of the grant, and
- (b) after the grant is spent, approve the board's report, if any, on the grant's spending.

Minister may order board to consult with Indigenous education councils

87.003 The minister may specify, by order, that a board must consult with the Indigenous education council or specified members of the Indigenous education council on a matter specified by the minister.

2025-10-22 Public Board Agenda Package - Page 100

Ministerial orders in relation to Indigenous education councils

- **87.004** (1) Subject to this section, the minister may specify, by order, any of the following in relation to an Indigenous education council:
- (a) establishment and composition of a council;
- (b) the process to appoint council members;
- (c) voting rights of council members;
- (d) terms of reference in relation to a council;
- (e) rules governing the conduct of the business of a council.
- (2) The following individuals may not be members with voting rights of an Indigenous education council:
- (a) a trustee;
- (b) a board employee.
- (3) The minister may specify in an order under subsection (1) that different members of an Indigenous education council may have different voting rights in respect of different matters.

Indigenous education councils establish governance rules

- **87.005** An Indigenous education council may make rules governing the following, but may not make a rule if that rule is inconsistent with this Act, the regulations or the orders of the minister:
- (a) the process to appoint members of a council;
- (b) the conduct of a council's business;
- (c) terms of reference in relation to a council.

In August 2024, the <u>Indigenous Education Council Policy</u> and the template <u>Terms of Reference</u> created by the First Nations Education Steering Committee (FNESC) and the Ministry of Education and Child Care were released to provide further information on Indigenous Education Councils. The template terms of reference was created to serve as the minimum standard for all IECs across the province. Through consultation and collaboration, each district is required to work with local First Nation(s) and Indigenous representatives to establish a Terms of Reference for the district's IEC.

The development of the terms of reference for the Indigenous Education Council for the Maple Ridge-Pitt Meadows School District has been a priority. Individual and group meetings occurred throughout the 2024-2025 school year, culminating in the development of the Indigenous Education Council Terms of Reference for our district (**Attachment**).

RECOMMENDATION:

- (1) THAT the Board approve the Terms of Reference for the Indigenous Education Council.
- (2) THAT the Board approve the following appointments to the Indigenous Education Council:
 - four members (three members, plus an Elder) from Katzie First Nation,
 - three members (two members, plus an Elder) from Kwantlen First Nation,
 - one member from Golden Ears Metis Society, and
 - one member from Fraser River Indigenous Society.

Indigenous Education Council – Terms of Reference

Section 87.005 of the School Act authorizes an Indigenous Education Council (IEC) to establish rules governing its terms of reference, provided these remain consistent with the School Act, regulations, and Ministerial Orders, including MO 217/2024, the Indigenous Education Council Order (IEC Order).

Indigenous Education Council Responsibilities

As outlined in the IEC Order, the IEC must adhere to the following guidelines in conducting its business:

- Respect the protocols, laws, customs, and traditions of land based First Nations.
- Support strong and effective relationships between the board and local First Nations.
- Acknowledge that its work takes place on Land Based First Nations' territory and ensure the
 perspectives of members representing these Nations are entrenched in all we do.
- Consider the distinctions and diversity of the Indigenous student population when advising the board.

Values

We honour and acknowledge Katzie First Nation and Kwantlen First Nation Elders, families, and future generations, as well as their teachings. We respect the land, water, air, and all people. Our commitment extends to recognizing First Nations, Métis, and Inuit students, their communities, and their values. We place students, future generations, and traditional teachings of the land-based nations at the centre of our work.

IEC Composition

Members of the IEC are appointed in accordance with the Act and Ministerial Order. Membership is reviewed yearly or when a vacancy arises. The IEC is comprised of:

Katzie First Nation: 4 members (3 members plus 1 Elder)
Kwantlen First Nation: 3 members (2 members plus 1 Elder)

Golden Ears Métis Society: 1 memberFraser River Indigenous Society: 1 member

Each member may designate one alternate to attend meetings and participate on their behalf.

Alternates

Each member appoints an alternate representative who may attend meetings and vote in the primary members absence. Alternates hold the same voting rights as primary members when acting in their absence.

Voting Allocation

Katzie First Nation: 4 votes
Kwantlen First Nation: 3 votes
Golden Ears Métis Society: 1 vote
Fraser River Indigenous Society: 1 vote

A Quorum for IEC meetings is 5 voting members.

Board Trustees and District Staff

The IEC may, as needed, invite or request school board trustees and district staff to attend meetings. However, Trustees and district employees may not be voting IEC members. The following school district positions have standing, non-voting invitations to IEC meetings. These will be reviewed annually:

- Superintendent and CEO of Schools
- Deputy Superintendent of Schools
- District Principal of Indigenous Education
- Secretariat

IEC Member Resignation

Should an IEC member resign, they must notify the Chair and the Secretariat in writing.

IEC Chair and Vice-Chair

The Chair and Vice-Chair are selected from Katzie First Nation and Kwantlen First Nation. Voting members nominate the Chair and Vice-Chair at the first meeting each year, with the possibility of alternating roles to share leadership and support learning and growth. The voting process for electing the Chair and Vice-Chair is conducted by a show of hands.

The Chair's responsibilities include chairing meetings, working with the Secretariat to set agendas and prepare minutes, reviewing and ensuring advice to the board reflects the IEC's collective input, seeking and sharing relevant information with IEC members, and serving as spokesperson as needed. In the Chair's absence, the Vice-Chair assumes these duties. The Chair may delegate tasks to IEC members or seek assistance from non-voting members.

Secretariat

The IEC collaborates with, and provides direction to, the Secretariat to liaise with the district on matters such as planning, spending, and reporting of Indigenous education targeted funds and other grants for Indigenous students. The IEC and Secretariat develop administrative processes covering member travel, meeting costs, room and food expenses, and honoraria for members or guests.

IEC Meetings

The Chair, with Secretariat support, establishes the annual IEC meeting schedule to align with any School Act reporting deadlines. The IEC holds four general meetings and two special meetings annually, with additional meetings as needed. Meetings will occur in-person or virtual. Agendas are prepared in consultation with IEC members, and meeting materials are distributed at least seven days in advance. A meeting Quorum is five voting members. Meeting minutes are shared with the committee within seven days post-meeting.

Decision-Making Process

Most IEC matters are decided by general discussion and consensus. When a vote is required, decisions are by a majority vote. All voting members, whether primary or alternate, cast votes by a show of hands, unless otherwise agreed. If consensus cannot be reached or a tie occurs, the matter

is tabled for further discussion. Only Land based First Nation IEC members may advise on subjects related to local First Nation languages, cultures, customs, and perspectives for Board Authority Authorized Courses.

Dispute Resolution

Disputes should first be resolved at the table. If unresolved, parties meet outside the IEC meeting to find common ground. If still unresolved, a written submission will be submitted to the IEC, which may draw on cultural values and resources, including Elders. The IEC aims to foster a respectful, safe space for all, mindful of the process and outcome.

Conflict of Interest

When a conflict of interest arises, the voting member is replaced by their alternate. Any member who stands to benefit from a decision must declare this and may be asked to leave during deliberations. Such members may provide a statement on the matter but will not participate in the decision-making process. The IEC may recall the member for clarification. Conflicts must be disclosed at the earliest opportunity. Members who declare and refrain from voting are not accountable for the decision. If a conflict is perceived but not declared, the IEC will determine if there is a conflict of interest and record the outcome.

Providing Recommendations / Advice to the Board of Trustees

Recommendations and advice from the IEC are submitted in writing to the board via the Chair.

Annual Review

The IEC reviews its Terms of Reference after the first year and every two years thereafter.

SD42 POLICY 5705

SURVEILLANCE

PHILOSOPHY

The Board authorizes the use of video surveillance where it is reasonable or necessary to enhance the safety of students, staff, volunteers and the general public, or to protect property.

The Board recognizes its legal obligations under the <u>School Act</u> to ensure student safety, while upholding the privacy rights of students and staff as required under the <u>Freedom of Information and Protection of Privacy Act</u> (FIPPA).

AUTHORITY

The Board assigns the responsibility for the implementation of the Surveillance policy to the Superintendent of Schools and authorizes them to establish procedures that will guide the implementation of this policy and ensure compliance.

GUIDING PRINCIPLES

- 1. Surveillance will only be authorized where necessary to enhance the safety or protect property.
- 2. Surveillance will be carried out in a manner consistent with privacy protections under FIPPA.
- 3. Administrative procedures will define the approval process, appropriate use, review, and storage of surveillance recordings.
- 4. The Superintendent of Schools will ensure regular review of procedures to monitor for compliance with legislation, policy(ies), and best practices.

ATTACHMENT A2

SD-42 POLICY: 5705

SURVEILLANCE

PHILOSOPHY:

The Board authorizes the use of video surveillance where it is reasonable or necessary to enhance the safety of students, staff, volunteers and the general public, or to protect property. Section 74.01 of the School Act expressly authorizes the use of surveillance in school district facilities and property for safety and property protection purposes.

The Board recognizes both its legal obligations under the School Act to ensure student safety, while upholding the privacy rights of students and staff as required under the Freedom of Information and Protection of Privacy Act (FIPPA). to provide appropriate levels of supervision in the interest of student safety and the fact that students and staff have privacy rights that are reduced, but not eliminated, while at school. Thus video surveillance must be carried out in a way that respects student and staff privacy rights.

The Board also recognizes that it owes obligations under the Freedom of Information and Protection of Privacy Act ("FIPPA"), and that surveillance recordings are governed by the provisions of FIPPA. The purpose of this Policy and the related Procedures is to ensure that the Board's legal obligations for safety and property protection are appropriately balanced with its personal information privacy obligations under FIPPA.

AUTHORITY

The Board assigns the responsibility for the implementation of the Surveillance policy to the Superintendent of Schools and authorizes the Superintendent them to establish procedures that will guide the implementation of this policy and ensure compliance. The Superintendent may delegate his/her authority in accordance with the provisions of this Policy and the procedures.

GUIDING PRINCIPLES:

- 1.011. Surveillance will only be authorized where reasonable or necessary to enhance the safety or protect property. of students, staff, volunteers and the general public, or to protect property.
- 2. Surveillance will be carried out in a manner consistent with privacy protections under FIPPA.
- 3. Administrative procedures will define the approval process, appropriate use, review, and storage of surveillance recordings.
- 4. The Superintendent of Schools will ensure regular review of procedures to monitor for compliance with legislation, policy(ies), and best practices.
- 1.02 Video surveillance is not to be ordinarily used in locations where private activities/functions are routinely carried out (e.g., bathrooms).
- 1.03 The school principal, in collaboration with the maintenance department, is responsible for the proper implementation and control of the video surveillance system in the school, including by ensuring that access to equipment, records and footage is limited in accordance with the procedures.

1.04 The Superintendent of Schools or designate shall conduct a review at least annually to ensure that this policy and procedures are being adhered to and to make a report to the Board on the use of surveillance in the School District.

1.05 Surveillance is to be carried out in accordance with this policy and these procedures. The Board will not accept the improper use of surveillance and will take appropriate action in any cases of wrongful use of this policy.

STUDENT RECORDS

PHILOSOPHY

The Board of Education is required to establish and maintain a student record for each student registered with the Board's schools in accordance with the requirements of the <u>School Act</u>, the <u>Freedom of Information and Protection of Privacy Act</u> (FIPPA), and other applicable legislation.

The Board recognizes the importance of privacy and confidentiality in relation to student records and has reasonable security measures in place to ensure they are appropriately accessed, used and disclosed, and securely maintained.

AUTHORITY

The Board assigns the responsibility for the implementation of this policy to the Superintendent of Schools and authorizes them to establish procedures that will guide the implementation of this policy.

GUIDING PRINCIPLES

- 1. Student records contain sensitive personal information and must be managed in compliance with the School Act (s. 79), FIPPA, and other applicable legislation.
- 2. Access to student records by students, parents/guardians, and authorized service providers will occur in compliance with the School Act (s. 9), the FIPPA, other applicable laws and in accordance with the administrative procedures to this Policy.
- 3. Student records must be transferred, retained, and disposed of in accordance with legislative requirements and ministerial orders.

From: Kim Dumore, Trustee

Topic: Trustee Report: City of Maple Ridge Municipal Advisory Committee on

Accessibility & Inclusiveness

Date of Meeting: September 18, 2025

Items Discussed:

MACAI Awards - Process Under Review

• The MACAI Committee is currently reviewing and updating the process for the annual MACAI Awards. The goal is to create a more inclusive and transparent nomination system that better reflects the diversity of Maple Ridge.

Canada Day Recap & Calming Space (Sensory Room)

 A Calming Space (Sensory Room) was piloted at recent community events, including Canada Day. This quiet, low-stimulation area offered support for individuals experiencing sensory overload or emotional stress. Feedback has been positive, and the City is making improvements based on lessons learned to enhance the space for future events.

Access Pass - Application Process Draft

A draft process for the new Access Pass is under development. The program will
provide free or reduced-cost access to all City recreation programs—including dropins and swimming—for eligible Maple Ridge residents.

Three proposed eligibility categories:

- 1. Financial need
- 2. Persons with disabilities
- 3. Children and youth in care

Accessibility Strategy – Task Force in Development

The City is developing a comprehensive Accessibility Strategy to improve inclusion and accessibility across programs, services, and infrastructure. A task force—made up of community members, City staff, and MACAI representatives—is being formed to lead this work and guide implementation. Public engagement opportunities will be available as the strategy moves forward.

Item 11

From: Mike Murray, Trustee

Topic: Trustee Report: Maple Ridge Engaged, Healthy Community Advisory

Committee

Date of Meeting: October 2, 2025

Items Discussed:

Proposed changes to City's Recreation Fee Subsidy Program

- City staff presented a slide deck outlining proposed changes to the City's recreation fee subsidy program. The Committee provided considerable input on the changes with a few adjustments suggested by committee members. Of particular interest was a discussion about fee subsidies for impoverished families. Proposed exclusions included temporary farm workers with committee members sharing the commitment many of these folks have made to the community over many years and that they should have equal access.
- There was also a discussion about youth in care with advocacy for a larger level of subsidy being made available.
- There was also a discussion about folks with disabilities receiving fee support based on the additional expenses that accrue to some families as a result of a family member's disability. Input from the committee will be considered by staff with a draft policy being brought forward for a recommendation at the November meeting.
- Staff also suggested a new approach to speed up the approval process and access in general, allowing third parties to recommend subsidies for those in need. The School District will be one of those parties. It was noted that training will be required in schools to promote the use of the program and to ensure staff are familiar with the application process so they can encourage families in need to take advantage of the program.

November Meeting

• The November meeting will also offer an update on the Arts, Culture, Events and Heritage service review with further input being sought from the committee.

Action Items referred to the Board of Education:

• Staff may be approached once the fee subsidy policy is finalized to talk about school outreach. No Board involvement required.
