

SD 42 POLICY: 6600

NAMING OF SCHOOL DISTRICT FACILITIES

PHILOSOPHY

The Board of Education (“Board”) believes that school district facilities should be named in reference to historical, geographical or operational characteristics. Consideration will be given to names that will have significant meaning to students, First Nations and Urban Indigenous people and members of the community.

AUTHORITY

The Board assigns the responsibility for the implementation of this policy to the Superintendent and authorizes the Superintendent to establish procedures that will guide the implementation of this policy.

GUIDING PRINCIPLES

Except where otherwise determined by the Board, new schools or District facilities will be named in reference to historical, geographical or operational characteristics.

The naming or re-naming of school district facilities should involve a broad-based constituency consultation and should consider First Nations and Urban Indigenous perspectives.

Wherever possible, if the facility is to be named in honour of a person, the consent of the individual or the closest surviving relatives will be obtained.

The process of naming a new building will begin as soon as possible after the school site has been purchased and where construction is scheduled in the Board’s current capital plan.

When an existing facility undergoes a major change of use, the Board may consider a name change for the facility.

An effort will be made to avoid confusion that may be caused by having schools with similar names.

Naming opportunities when individuals, businesses, organizations and others provide a contribution in exchange for naming recognition associated with a school district owned asset are subject to the Naming Privileges Policy of the Province of British Columbia.

In all cases, the final decision on naming a School District facility will be made by the Board.
