

SD 42 POLICY: 7710

PROFESSIONAL DEVELOPMENT

PHILOSOPHY

The Board of Education believes that professional development for all staff in support of attaining the School District's goals is both valuable and necessary. In support of this belief, the Board is committed to meeting all contractual requirements and supplementing those requirements to the greatest extent possible within existing resources. The Board further believes that professional development must be of benefit to both the employee and the School District and that knowledge gained in the pursuit of professional development should be shared with colleagues.

AUTHORITY

The Board assigns the responsibility for the implementation of the Professional Development policy to the Superintendent of Schools and authorizes the Superintendent of Schools to establish procedures that will guide the implementation of this policy.
