Closing Date: 29-Sep-2022

Position	Location	Assignment Type	Hours	Rate of Pay
Classroom Transcript(typewell)	Learning Services	Continuing	25.0000	24.4200

Typical Duties/Assignment Description

Effective September 6, 2022.

This position requires the incumbent to use TypeWell to transcribe for students with hearing loss by converting spoken language into text in a “meaning-to-meaning” format. This process is done by using TypeWell software on a laptop computer which is simultaneously viewed by the students on an iPad.

The successful incumbent, who must be assessed as easy-to-speechread, will be involved with captioning all media as well as providing transcription services in intermediate and secondary classes, and school sponsored extra-curricular events for students who need real-time access to auditory information and a complete set of notes.

The district will cover the course costs for the incumbent who is successful in meeting both the position qualifications and the prescreening criteria for TypeWell (which includes screening tests for grammar, listening skills, and typing speed (*minimum 60 words per minute no errors*)). The training itself requires an intensive 6-12 week part time commitment outside of work hours.

Additional information can be viewed at both: <https://typewell.com/transcriber-training/>
