

Thinking about Going Back to School?

YES, YOU CAN!

Outreach

Alternate Secondary School

Located on the Maple Ridge Secondary School grounds, Outreach is an academic alternative to regular high school serving students needing flexibility and new opportunities. Outreach offers a graduation program for students from grade 10-12.

**If you are 16 to 19 years old,
and ready to return to school,
Outreach may be for you!**

What We Offer

- A regular MRSS high school diploma including math and science at essentials levels
- A graduate program for students who have been out of school for a while, or have fallen behind
- Part time hours that make it possible to work at a part time job and still attend school
- An opportunity to catch-up; a student could complete up to 12 courses in one year
- Limited number of courses at one time to allow for quick completion of a course
- Teen parents also welcome! Special support provided to new moms and dads
- Smaller classes, with plenty of one-on-one help from teachers
