

MAPLE RIDGE - PITT MEADOWS SCHOOL DISTRICT (NO.42) PRELIMINARY BUDGET 2017/18

Since 2012, the Maple Ridge - Pitt Meadows School District has addressed over \$9 million in funding shortfalls. The reasons for these shortfalls included declining enrollment, the CUPE wage increase, increased costs for benefits, inflation, utilities rate increases, and provincially mandated administrative savings.

Our school district is estimating that \$0.67 million ongoing funding will be available to fund new expenditures for 2017/18 and that an additional \$0.51 million one-time funding will also be available for 2017/18. This will be followed by an estimated budget funding shortfall of \$0.26 million for 2018/19, and \$1.13 million for 2019/20 if the proposed budget changes are implemented. In addition, the school district will receive a notional allocation for the Classroom Enhancement Fund of \$6.63 million to be used for the implementation of the restored MRTA Collective Agreement class size, composition, and specialist teacher ratios language.
