

AFTERNOON MULTI-SPORT CAMPS

In partnership with Albion Football Club, Born2Grind Basketball, and the Maple Ridge Tennis Club, SD42 is excited to offer three weeks of Multi-Sport Afternoon Camps! Accompanying SD42's Elementary Summer Learning Program, these registered camps will engage students in fun drills, games, and activities that will develop their confidence, teamwork, and fundamental sport skills at all levels.

Students will go directly to the program at dismissal.

All registrations are on a first come, first serve basis. Camps could be cancelled due to low registration.

These camps are for students registered in the SD42 Elementary Summer Learning Program
