

# STUDENT TRANSFER GUIDELINES: SECONDARY 2021/22

While it is important that every student has the opportunity to attend his or her school of choice, it is equally important that all our secondary schools are safe, caring and orderly. The transfer process outlined below has been designed to give our schools the ability to best plan for student success. If your child is new to the school district, use the school locator (<http://www.sd42.ca/school-locator>) to determine your catchment school, then request a registration form by contacting the catchment school.

- A new form must be filled in every year a transfer is requested. If you have already submitted a transfer request on paper for this year, you do not need to complete the electronic form.

## TRANSFER PHASE 1

FEB 4 - MAR 8

Students applying in *Transfer Phase 1* must phone and request a transfer form be emailed from the secondary school to which they have been assigned, complete all required information (including obtaining a parent/guardian signature) and return it by email to that school. For phase 1, requests must be submitted by **March 8, 2021**. *The best chance to transfer schools is during Transfer Phase 1.*

- Gr. 9-12:** Date/time stamps will be considered. **Gr. 8:** If there is a wait list, a fair and impartial lottery will be held.
- Successful *Transfer Phase 1* applicants will be contacted by **March 12, 2021**.

## TRANSFER PHASE 2

MAR 30 - MAY 17

Students whose transfer request was not successful in *Transfer Phase 1* will be considered again in *Transfer Phase 2*. *Transfer Phase 2* takes place between **March 30** and **May 17, 2021**. *The chance of a successful transfer in Transfer Phase 2 is less likely than in Transfer Phase 1.*

- Gr. 9-12:** Date/time stamps will be considered. **Gr. 8:** If there is a wait list, a fair and impartial lottery will be held.
- Successful *Transfer Phase 2* applicants will be contacted by **May 21, 2021**.

## TRANSFER PHASE 3
