

Pitt Meadows Elementary

GAME CREATION: PING PONG

The Ping Pong is a program for students interested in getting an introduction to Scratch. Students will learn about block programming and will be trained on how to think like a programmer. They will code fun animated projects and automatically be part of a global community. Kids Innovative unique classes use a combination of interactive and student curated activities to make learning complex concepts and advanced programming skills fun!

Mondays, 2:30 to 4 p.m.

Oct. 17 to Dec. 12, 2022 (eight sessions)

***No class on Oct. 31**

Cost \$180

Instructor: Hillina

Grades 4 to 6

Level: Intermediate
