OPTION 1

ELEMENTARY — ENGLISH AND FRENCH IMMERSION

Elementary students (up to and including Grade 6) participating in the summer learning program will engage in academic activities across different areas of study. Program outcomes will be linked to Ministry of Education grade level learning standards. Classroom teachers may explore and reinforce learning outcomes in literacy, numeracy, and/or STEM (science, technology, engineering, and math), or ADST (applied design, skills, and technology). The French Immersion summer learning program is designed to support students currently enrolled in full-time French Immersion.

Regular attendance is required – please plan accordingly. Families will receive a confirmation of enrolment by June 12.
